# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the Town of Hooksett in the County of Merrimack in said State, qualified to vote in Town Affairs:*

(L. S.)

You are hereby notified to meet at the Town Hall in said Hooksett, on Tuesday, the twelfth day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear and act upon the report of the Town Budget committee.

4. To see if the town will vote to raise and appropriate a sum of money for the observance of Memorial Day.

5. To see if the town will vote to accept the budget in whole or in part.

6. To see if the town will vote to give a discount of two per cent (2%) on all taxes, except poll taxes, paid on or before the fifteenth day of July.

7. To see if the town will vote to accept all trust funds not before accepted.

8. To see if the town will authorize the selectmen to hire money in anticipation of taxes, or take any action relative thereto.

9. To hear the reports of the selectmen, town treasurer, agents, auditors and committees, or other officers heretofore chosen or appointed, and to pass any vote relating thereto.

10. To see if the town will vote to raise and appropriate the sum of three hundred dollars ($300) to finish painting the State Aid bridge, the state to furnish a like sum, or take any action relative thereto.

11. To see what action the town will take relative to renewing the lease of the lot of land on which Fire Station No. 2 is now located, or take any action relative thereto. (Said lease expires May 14, 1935).

12. To see if the town will vote to raise and appropriate the sum of three hundred dollars ($300) to purchase additional snow fence, or take any action relative thereto.

13. To see if the town will vote to raise and appropriate the sum of twenty-five hundred and forty-one dollars ($2,541) as its proportionate share of state aid construction, or, five hundred and twenty dollars and sixty four cents ($520.64) the State to furnish two thousand eighty-two dollars and fifty-five cents ($2,082.55) making a total of two thousand six hundred and three dollars and nineteen cents ($2,603.19), the same to be expended under the direction of the State Highway Department for town road maintenance, or take any action relative thereto.

14. To see if the town will vote to instruct the Road Agent to prepare and oil the following roads and streets: Hale Avenue; Smith Road, from Manchester line to residence of Robert Roberge; Superintendent's Hill, Hooksett Village; and Poor Road from Manchester line to land of Napoleon Belisle, Sr., or any part thereof that can be prepared and oiled out of the proposed appropriation of ($6,500) sixty-five hundred dollars for Town road maintenance, or take any action relative thereto. (Petition of Guy C. Kimball and nineteen (19) others).

15. To see if the town will vote to accept the road leading from Londonderry Turnpike to the home of Julia Osliza. (Petition of John R. Oslizly and nine (9) others).

16. To see if the town will vote to have the garbage in the Lincoln Park section collected twice a week and to raise

and appropriate the sum of one hundred and seventy-five dollars ($175) to defray the cost of same. (Petition of George A. Cook and fifteen (15) others).

17. To see if the town will vote to raise and appropriate a sufficient sum of money to defray the cost of repairing and oiling Bartlett Street in South Hooksett so that it may be safe for travel. (Petition of William Henry Gilmore and twenty-five (25) others).

18. To see if the town will vote to accept the road starting from Andrew Merrill and Benedict Avenue to the home of William Atkins, or take any action relating thereto. (Petition of William S. Smith and ten (10) others).

19. To see if the town will vote to prepare and tar Hackett Hill road from the residence of Peter Pratt to the Manchester-Hooksett town line, and raise and appropriate money to pay for cost of the same, or take any action in relation thereto. (Petition by Napoleon Belisle, Jr., and twenty-three (23) others).

20. To see if the town will vote to gravel and oil the Johnson's Landing road, so-called, between the Daniel Webster highway and Mammoth road, a distance of about six hundred feet, raise and appropriate money for the same or take any action relating thereto. (Petition by John Neill and twenty-four (24) others).

21. To see if the town will vote to instruct the selectmen to lay out and improve a highway from the Daniel Webster highway easterly by Harvard Street, so-called, southerly by Cross Street, so-called, and then easterly by Yale Street, so-called, according to the plan of Brookside, to land and residence of A. L. Greer, raise and appropriate money for same or take any action relating thereto. (Petition by William S. Smith and twelve (12) others).

## REPORT OF ROAD AGENT

*To the Honorable Board of Selectmen and Citizens*:

I herewith submit for your approval my second annual report as Road Agent for the year ending on January 31, 1935.

| | | |
|---|---|---|
| Town Maintenance: | | |
| Receipts | | $8,519.90 |
| Payments: | | |
| Snow removal, truck hire, plowing | $1,635.34 | |
| Snow removal, labor | 3,043.40 | |
| Sanding, truck hire | 106.14 | |
| Sanding, labor | 62.40 | |
| Summer work, truck hire | 473.85 | |
| Summer work, labor | 2,487.40 | |
| Supplies | 503.58 | |

| Total payments | | $8,519.90 |
| Total appropriation | | 6,500.00 |
| Over run appropriation | | $2,019.90 |

Owing to the heavy fall of snow during February, 1934, and January of this year it has increased the cost of keeping the roads open, the average cost per mile, per storm was $6.50, by having more snow fence and another plow during heavy storms the cost could be reduced.

| | | |
|---|---|---|
| A special appropriation for repairs on tractor | | $100.00 |
| Adolph Hammer, labor and supplies | 30.00 | |

| | | |
|---|---|---|
| Boutwell Garage Inc., labor and supplies | 62.70 | |
| Total payments | | 92.70 |
| Balance of appropriation | | $7.30 |

Tractor was used 123½ days of 9 hours each at a total cost of $341.55 for gasoline, oil, grease and all repairs to grader and snow plow, this also includes the expense under the special appropriation which gives an average cost per hour of .30½ plus labor at .40 equals an hourly cost of .70½ for operating tractor.

Work done under the direction of State Highway Department in the resurfacing of rural post roads with gravel there was hauled and spread gravel covering 7½ miles of road, ten feet wide, five inches deep at an average cost of .968 cents per cubic yard.

| | | |
|---|---|---|
| Supervision | $160.38 | |
| Truck hire | 1,678.61 | |
| Gravel | 296.55 | |

## ARAH W. PRESCOTT LIBRARY

### For the Year Ending March 1, 1935

91 books added to library during the year.
47 books purchased with town appropriation.
2 books, gift of Milan Dickinson.
1 book, gift of Richard Whiting.
1 book, gift of Secretary of State of New Hampshire.
1 book, gift of Mrs. Mary Rowell.
1 book, gift of Edwin Emerson.
1 book, gift of Miss J. B. Abbott.
12 books, gift of Mrs. James H. Blizard.
25 books, gift of Miss Grace Blanchard.
33 magazines, gift of Mrs. James H. Blizard.
Circulation of books for the year 3,954.

Library has been open every week during the year, and has been well patronized. The circulation of books has been larger than during any previous year of its history, 47 books have been added by town appropriation. These books have been recommended by trained librarians. We hope they will please our patrons. Mrs. James H. Blizard who gave 12 books and 33 magazines, was formerly a resident of Hooksett; she moved to East Lynn fifty years ago, but she does not forget Hooksett, nor Arah W. Prescott library. Miss Grace Blanchard, who gave 25 books, has just resigned from Concord library, after forty years of faithful service. We regret Miss Blanchard's resignation. She has been very helpful to our library. We wish her a very happy life in the future. Mr. Fayette Blair gave a very nice wreath to the library at Christmas. We thank Mr. Morgan for keeping the library warm during the extreme cold weather. We take this opportunity to thank all who have, in any way, helped the good work of the library.

Respectfully submitted,

JENNIE B. ABBOTT, *Librarian.*

## SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*To the Inhabitants of the School District in the Town of Hooksett qualified to vote in district affairs:*

You are hereby notified to meet at the Town Hall in said district on the sixteenth day of March, nineteen hundred and thirty-five, at two-thirty o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

# REPORT OF SUPERINTENDENT OF SCHOOLS

*To the School Board of Hooksett*:

Herewith is presented my first annual report. It deals chiefly with organization and instruction, improved facilities, special activities, relative costs of school maintenance, and suggested objectives.

## Organization and Instruction

In September, 1933, crowded conditions in the Village School made necessary an additional teacher. Miss Lois M. Cate, a 1932 graduate of Plymouth Normal School, was elected, and the River Road School opened with an enrollment of twenty-two pupils who had formerly been transported to the Village and Hackett Hill schools.

The only change of teachers in the other schools occurred this year. After eight years of efficient service in the Hooksett Schools, Mrs. Dorothy Stone Allen requested a release from her position as primary teacher in the Martin's School. Miss Viola A. Haley, a 1931 graduate of Plymouth Normal School, was elected to the position.

Last year two new courses of instruction were added in the eighth grade. These included general science and literature. The former course aims primarily to acquaint the pupils with the fundamental laws of nature, to inspire an intelligent interest in the world of natural phenomena, and to reveal the means of successfully adjusting ourselves to physical environment. Textbooks entitled *"Open Doors to Science,"* have been provided for the pupils, and laboratory manuals and outlines for the teachers. These manuals encourage the use of home-made apparatus. Several of the pupils have shown particular skill in assembling and manipulating such equipment. The latter course in literature

emphasizes an acquaintance with, and an appreciation of, the authors and characters through both prose and poetry, using particularly the more recent and shorter poems of living authors. It also encourages in the upper grades the continuance of oral reading for correct and vivid interpretation. The eighth grade is supplied with *"Prose and Poetry,"* a textbook that combines this material in one volume. Similar material should eventually be provided for Grades V, VI, and VII.

This year the Social Science series, by Dr. Rugg of Columbia University, is being used in the grammar grades of the Village School. This series combines in two books the courses formerly represented by three books,—geography, history and civics. These books represent the latest and most scientific presentation of the social science subjects. As fast as worn-out books require replacement, this series will be provided for Grades VII and VIII in the other schools of Hooksett.

The new Atwood-Thomas geographies, "Nations Beyond the Seas," have recently been placed in the sixth grade of the Martin's School and will gradually be extended as replacements are needed elsewhere in the same grade.

Since the opening of schools this fall, the *Elson* system of reading has been introduced into Grades I and II of all your schools. This system comprises new material introducing to the child a scientifically developed and applied vocabulary, correlating with his interests and speech activities. Ample provision is also made through individual workbooks, accompanying these readers, for daily exercises in silent reading and tests of the child's ability to acquire readily the meaning of printed instructions and other matter related to his oral reading. This system of reading should be extended through the third grade.

## Improved Facilities

Major improvements have been made in water system and the grading of school grounds.

During the past summer a well was driven on the school grounds at Hackett Hill, and equipped with pump. This furnishes an ample supply of excellent water, taken from a sufficient depth to avoid surface contamination.

At Lincoln Park the playground has been much improved in convenience and safety by reducing the elevation at the rear and side of the buildings, by the removal of protruding rocks, and by grading the approaches to all entrances. New cement steps at these entrances are also appreciated.

The grounds in front of the Martin's school building have been similarly improved by the removal of protruding rocks. Considerable work is needed on these grounds both at the front and rear of this building. With improved and well kept grounds, this would become the most attractive school plant in the town.

At the River Road School, located on the recently constructed West Side route, the Highway Department has graded with gravel an excellent approach along the entire front of the school grounds.

All schools have been supplied by your school nurse with first aid cabinets. These are refilled annually.

Paper towels have been provided and towel cabinets installed in all schools.

Through the initiative of teachers and pupils, the Hackett Hill and River Road schools have been equipped with kindergarten table and chairs. In these two schoolrooms, where cross-lighting and sun glare are productive of eyestrain, special shades have been installed on certain windows.

## Special Activities

Among the special activities none is of greater value than the services of your School Nurse. I commend to your attention her statistical report for the year ending last June. So far this year the number of her visits in the homes is nearly thirty per cent greater than the number made in schools. The necessary co-operation of the homes in se-

curing corrective treatments is largely affected by this feature of her work.

We are assured that the daily milk ration, which required last year 229 half-pint bottles daily, will be continued until next June. This milk is produced locally and paid for from federal emergency funds. It is provided for use only by children who are physically in need of it and unable to pay for it. This has become recognized as an essential public health service and is more a form of charity than the customary allotment of school paper and pencils.

Through the co-operation of the American Legion, adult classes in English, with an enrollment of over twenty members, were conducted for nine weeks at the Village School. Miss Ethel T. Tewksbury of Derry, an experienced night-school teacher, was the instructor. The progress made by several of these pupils, particularly in English composition, was excellent. The salary of the instructor was paid entirely from federal funds.

In celebration of Armistice Day, the Lekion again co-operated by placing at the disposal of the schools the Grange and I. O. O. F. Halls where fitting exercises were presented by the school children and appreciated by large audiences.

I wish to express to the Legion members our sincere appreciation for the interest that they have taken in educational and patriotic activities.

Last June a class of twenty-nine members was graduated from the eighth grade. Of this number twenty were enrolled in September in public high schools and academies.

Through the co-operation of all teachers of upper grades, a complete battery of Metropolitan Achievement Tests has been given in grades VII and VIII, and a partial battery in grades V and VI. A profile chart has been made for each pupil. These charts show the individual's achievement in reading, vocabulary, arithmetic fundamentals, arithmetic reasoning, English, and spelling. In the seventh and eighth grades literature, history, and geography are added. Since these tests were given at frequent intervals over a period

of several weeks, they are a valuable index, to the pupil's strength or weakness in certain studies. By appointment the Superintendent will be glad to discuss with interested parents the results of these tests.

## Relative Costs of School Maintenance

State statistics for the fiscal year ending June 30, 1934, show that among the 242 school districts in the State, taken in the order of total current costs per $1,000 of equalized valuation, beginning with the lowest, Hooksett stands ninety-first: the local elementary cost being $5.55; State aid, $0.21; high school, $1.79; other current costs, $0.74; making the total current cost $8.29 per $1,000 of equalized valuation.

The average cost per pupil in the elementary schools of Hooksett was $54.28 compared with the State median cost per pupil of $72.46.

## Suggested Objectives

Teachers, even in our elementary schools, are increasingly confronted with the responsibility of pupil guidance. They are aware that more important to their pupils than trained minds stored only with interesting and useful facts is the individual encounter with actual experiences; the doing of real things in the real way; the habit of making comparisons and forming judgments; the necessity of assuming responsibility and "carrying on;" the ability to mentally picture a finished project and the skill to execute it.

To give your upper grades a broader field of practical activities in school and to assist in the problems of guidance, the introduction of manual training for the boys and domestic science for the girls should be made a definite objective. At the present time the only school room available is at Martin's Corner. This center could be made to serve your three largest schools at an outlay of approximately twelve hundred dollars a year.

With two exceptions, your six schools now have their own water supply. I would recommend that early attention be given the Village School, where over sixty children are dependent upon private sources for all water used.

Your three larger school buildings are lighted by electricity. Consideration should be given to the similar lighting of the other school buildings, particularly in cases where these are used for both school and community purposes.

All of these objectives cannot be realized immediately. I believe they should be incorporated into a definite plan of procedure covering, if need be, a period of years.

## Conclusion

I wish to express my appreciation of the fine co-operation extended to me by your Board and by the former Superintendent, Henry S. Roberts.

In the final analysis the success of your schools depends not so much upon buildings and equipment as upon the wisdom, tact and devotion of well trained and experienced teachers. I have found these essentials characteristic of your staff of teachers.

Respectfully submitted,

GEORGE H. HARMON,
*Superintendent.*

February 14, 1935.
